GENERAL INFORMATION FOR RESIDENTS

Because the general public are often unaware of various laws and regulations, the Town of South Hampton has prepared the following list as a guide for those considering actions for which some regulatory system is in place. This list is for information only and the public should consult the appropriate officials or boards for further details.

<u>Wetlands</u>	No digging, filling or other flow modification in wetlands as defined by Land use Ordinances	Permit approval by Conservation Commission
<u>Subdivision</u>	Must meet requirements of zoning ordinances and regulations	Planning Board
<u>Home Occupation</u>	Use of home for business	Board of Adjustment
<u>Commercial Zone</u>	Commercial Development	Planning Board (Site Plan Review)
<u>Building Permit</u> (Incl. demolition)	No construction until permit is fully signed	Building Inspector
<u>Occupancy Permit</u>	No occupancy or use of new or modified building until approved	Building Inspector
<u>Historic District</u>	No construction or modifications in those districts without approval	Historic District Commission
<u>Septic Systems</u>	Must meet Town and State standards	Health Officer
<u>Sand & Gravel</u> <u>Earth Removal</u>	Must have permit for excavation	Planning Board
<u>Bonfires</u>	No burning without permit	Fire Wardens
<u>Timber Harvest</u>	Yield Tax limits on cutting	Selectmen
<u>Motor Vehicle Reg.</u> <u>Dog License</u>	Annual renewal Dogs must have rabies shot	Town Clerk
<u>Refuse Disposal</u>	Weekly pickup Thurs. limitations on volume and type	Selectmen
<u>Junk Cars</u>	No more than two unregistered vehicles on lot	Selectmen
<u>Stray animals</u>	Dogs must be controlled on owners property	Police

Please refer to directory of officers and appointees for individual names. Also additional information will be found in various reports from officials.

WARRANT FOR THE ANNUAL TOWN MEETING
SOUTH HAMPTON, NEW HAMPSHIRE

To the inhabitants of the Town of South Hampton in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday the 14th of March at one o'clock in the afternoon to act on Article 1.

You are also hereby notified to meet at the Town Hall in said Town on Wednesday, the 15th of March at 7:30 in the evening to act on Article 2 and all subsequent articles.

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise and appropriate the sum of \$194,386 for the general town operations. (Majority vote required)

Town Officers Salaries	\$10,350
Town Officers expenses	11,000
Election and Registration	300
Cemeteries	2,000
Buildings	6,000
Planning/Zoning	7,500
Legal	10,000
Advertising/Regional	1,060
Contingency Fund	100
Board of Appeals	1,000
Police	32,992
Fire	12,840
Civil Defense	200
Building Inspection	200
Winter Maintenance	12,000
Summer Maintenance	16,000
Highway Block Grant	12,532
Garbage Removal	31,325
Health Department	1,905
Ambulances	100
Animal Control	200
General Assistance	100
Old Age Assistance	1,000
Library	10,082
Parks and Recreation	1,800
Conservation Comm.	100
Interest - T.A.N.	700
F.I.C.A./Retirement	1,000
Insurance	10,000
Total	<u>194,386</u>

3. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.
5. To see if the Town will vote to allow the Selectmen to dispose of surplus Town property.
6. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to furnish and equip the new library.
7. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) for Town Hall improvements.
8. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000) for the restoration of historic documents; the original Town Clerk Record Book dated 1742-1838 and Town Charter.
9. To see if the Town will vote to raise and appropriate the sum of six thousand one hundred dollars (\$6,100) to finalize the contracted work on the Master Plan revision, funding from the current general fund balance.
10. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000) for the purpose of renting or leasing a site for recycling.
11. To see if the Town will vote to raise and appropriate the sum of seven thousand three hundred dollars (\$7,300) for payment of the Town's share of the budget of the Southeast Regional Refuse Disposal District and dues to the Southeast Regional Solid Waste District.
12. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000) to be placed in the Capital Reserve Fund for land acquisition established for that purpose at Town Meeting 1988.
13. To see if the Town will vote to authorize the Selectmen to enter into a lease-purchase agreement for the purpose of purchasing a 1989 Class "A" Tanker/Pumper for the Fire Department, and to raise and appropriate the sum of eleven thousand dollars (\$11,000) for that purpose. (Majority vote required)
14. To see if the Town will authorize the withdrawal of six thousand four hundred dollars (\$6,400) from the Capital Reserve Fund created for the purpose of a new Fire Truck to be used as a down payment on a Class "A" Tanker/Pumper.
15. To see if the Town will vote to have a complete revaluation by a private appraisal firm (Avitar) that has been approved by the Dept. of Revenue Administration. Revaluation to be completed for the tax year 1989 or thereafter. (Majority vote required)
16. To see if the Town will vote to raise and appropriate the sum of eight thousand dollars (\$8,000) to fund revaluation and to authorize the withdrawal of ten thousand dollars (\$10,000) from the Capital Reserve Fund created for that purpose.

17. To see if the Town will vote to authorize the Board of Selectmen to grant franchises for the installation and operation of a cable television system within the Town. Said authorization to encompass the setting of such conditions as the Board deems necessary and appropriate. Said conditions shall not be inconsistent with NH RSA 53-C.
18. To see if the Town will authorize the Board of Selectmen to establish a Trust Fund for the purpose of Town approved activities associated with the celebration of the Towns 250th anniversary in 1992 with such funds as may be realized from the Cable franchise.
19. To see if the Town will vote to establish the Land Acquisition Capital Reserve Fund as authorized in RSA 34:1,III-a, for the purpose of acquiring conservation land or interests in land for permanent conservation use. And to see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the fund for the purposes contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-a, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and state matching funds may be expended by majority vote of the conservation commission.
20. To see if the Town will vote to raise and appropriate the sum of twelve thousand five hundred dollars (\$12,500) for the purchase of a computer system, hardware and software, and to establish computerized systems for tax billing, appraisal files, inventory, accounting, voter registration files and other uses.
21. To see if the Town will vote raise and appropriate the sum of three thousand dollars (\$3,000) for the repair of "Stockmans Bridge", so called.
22. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SOUTH HAMPTON THIS 14th DAY OF FEBRUARY, 1989

SOUTH HAMPTON, N.H.
March 8th & 9th, 1988

At a legal meeting of the inhabitants of the Town of South Hampton, in the County of Rockingham, in the State of New Hampshire, qualified to vote in Town affairs, held on March 8th, 1988 at the South Hampton Town Hall, the following business was transacted:

The Town Warrant was read by Moderator Horace Cressy. Ernest Bonah moved that the polls be opened, seconded by Audrey Brunet and so voted. Ballot Clerks for the election day were Ernest Bonah and Audrey Miller. A total of 111 votes were cast out of 593 registered voters. Polls opened at 1:05 p.m. and closed at 8:02 p.m.

ARTICLE I - Town Officers were elected as follows:

Moderator, 2 yrs., Horace Cressy, 95 votes, elected
Supervisor of Checklist, 6 yrs., Pamela A. Noon, 94 votes, elected
Selectman, 3 yrs., Vincent H. Early, 84 votes, elected
Selectman, 3 yrs., Walter Shivik, 15 write-in votes
Treasurer, 1 yr., Dawn M. Currier, 94 votes, elected
Auditor, 1 yr., Robert Fraser, 7 write-in votes
Auditor, 1 yr., Ernest Bonah, 6 write-in votes
Auditor, 1 yr., Lutz Wallem, 6 write-in votes
Highway Agent, 1 yr., John Santosuosso, 94 votes, elected
Trustee of Trust Fund, Walter Hill, 12 write-in votes
Trustee of Trust Fund, Albert Gray, 8 write-in votes
Trustee of Trust Fund, Ernest Bonah, 6 write-in votes
Trustee of Cemeteries, Vincent Early, 8 write-in votes
Trustee of Cemeteries, Albert Gray, 8 write-in votes
Trustee of Cemeteries, Fred Kozacka, 5 write-in votes
Trustee of Cemeteries, Richard Harlow, 4 write-in votes
Trustee of Library, 3 yrs., Linda G. Blair, 98 votes, elected
Constable, 1 yr., John Santosuosso, 88 votes, elected
Budget Committee: Ernest Bonah, 21 votes (write-in)
Lutz Wallem, 20 write-in votes
Walter Shivik, 12 write-in votes
Judith Shivik, 6 write-in votes
Fred Kozacka, 5 write-in votes

School District Officers were elected as follows:

Moderator, 1 yr., Horace T. Cressy, 98 votes, elected
School Clerk, 1 yr., Audrey G. Brunet, 105 votes, elected
School Board Member, 3 yrs., Judy Shivik, 25 write-in votes, elected
School Board Member, 3 yrs., John Gamble, 18 write-in votes,
School Treasurer, 1 yr., Nancy F. Dixon, 103 votes, elected

Sworn in at open meeting by the Moderator were: Vincent Early, for Selectman; Pamela Noon, for Supervisor of the Checklist; Dawn Currier for Treasurer; John Santosuosso for Highway Agent and Constable; Walter Shivik for Budget Committee. Horace Cressy, Moderator, and Judith Shivik, School Board Member were sworn in by the Town Clerk,

The following evening on March 9th, Moderator Horace Cressy called the meeting to order at 7:40 p.m. The remaining articles were voted on as follows:

ARTICLE II - To see if the town will vote to raise and appropriate the sum of \$173,052 for general town operations. Walter Shivik, Selectman, moved that the article be adopted as read, seconded by Norman Marble. Walter explained the increases in most of the line items.

Wayne Theriault, Police Chief, explained that the increase in the Police Department budget was due to adding more patrol time and included a raise of \$1/hr. for officers. John Gamble, Acting Chief of the Fire Department briefly itemized the Fire Department expenses, noting an increase due to upgrading radio equipment and training of firefighters. Highway Agent, John Santosuosso, spoke on the Summer/Winter Maintenance and Highway Block Grant.

Martha Anderson, Library Trustee, stated that the increase in the budget was in the operating expense - salaries and books. Lutz Wallem commented the entryway to the new Library was poorly designed for snow and felt architect should be accountable.

Town insurance was discussed. Walter mentioned the deductible was increased by \$1,000 and the new Library was added. Several townspeople felt \$200,000 was not adequate coverage for the town buildings. It was suggested better rates could be found by shopping around. The article was voted and passed.

ARTICLE III - To see if the town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year. In accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money. JoAnn Hill, Selectman, moved the article be accepted as written, seconded by John Santosuosso, and it was voted in the affirmative.

ARTICLE IV - To see if the town will vote to authorize the Selectmen to hire money in anticipation of taxes. The motion was made by Walter Shivik, seconded by Walter Hill and voted in the affirmative.

ARTICLE V - To see if the Town will vote to allow the Selectmen to dispose of surplus town property. JoAnn Hill moved that the article be accepted as read, seconded by Walter Goldthwaite. Peter Oldak asked if information was made public and was told that anything of value would be put up for bids. The article was voted and passed.

ARTICLE VI - To see if the town will vote to maintain the road known as Bugsmouth Hill Rd. which runs from Chase Rd. along the properties owned by James Cassidy, Madeline Burrill, Michael Payne and John Packard, up to the bridge. (By petition) JoAnn Burrill stated the road is classified as a Class VI road and is used by the public for access to the woods and fishing. John Santosuosso claimed the road has never been accepted as a town road. JoAnn stated the road is not listed on their deeds at the Registry of

Deeds. Audrey Miller questioned whether this would open up any backland? John Gamble moved the article be accepted for the sake of public safety, seconded by Walter Hill. John Santosuosso asked how we could maintain it without money in the budget? Pat Hesselbach questioned whether this would set a precedent for the Peak Road? Ilsa Briggs stated it must be accepted as a town road before the town can maintain it. Fred Anderson amended the motion to accept and maintain the road known as Bugsmouth Hill Road, seconded by Audrey Brunet. Peter Oldak felt Fred should withdraw the amendment and moved that acceptance of the road be referred to the Planning Board, seconded by Ilsa Briggs. Fred said he would withdraw the motion if a special town meeting would be called after the Planning Board reviews it. The Moderator said it would not be necessary to have a special meeting. John Santosuosso said that he would plow it. Lutz Wallem asked if he could accept the responsibility of plowing it. The Moderator asked for a vote in favor of the amendment. The amendment carried. The motion as amended was voted and passed.

ARTICLE VII - To see if the Town will vote to appropriate \$4,000 for Town Hall improvements and authorize the withdrawal of the principal plus interest in the Federal Revenue Sharing Fund with the balance to be raised by taxation. Walter Shivik moved that the article be adopted as read, seconded by John Santosuosso. Walter explained this would be used for painting the Town Hall. Lutz Wallem asked if they had received any estimates. Walter responded that it has not been advertised yet. The article was voted in the affirmative.

ARTICLE VIII - To see if the Town will vote to raise and appropriate the sum of \$13,500 to prepare a revised Master Plan/Capital Improvements Plan as required by RSA 674:1-8. Dennis Blair moved that the article be accepted, seconded by Margaret Miller. Florence Goldthwaite asked why the Budget Committee did not recommend \$6,750? Vincent Early spoke for the Committee stating they felt half could be appropriated this year and half next year. Ilsa Briggs spoke for the Planning Board, stating that it may not be completed this year, but not having the money available would delay it. Most of the cost (\$9,500) is for the Master Plan and she felt it important to be able to move forward with this as it is required by State RSA's. She added there is no way the Planning Board can do this without professional/technical assistance and we need this to support our zoning. Lee Goodnough, Representative of Rockingham Planning Commission stated that \$6,750 would not cover the cost of the Master Plan. The article was then voted in the affirmative.

ARTICLE IX - To see if the Town will vote to raise and appropriate the sum of \$13,500 to purchase a new police cruiser. Wayne Theriault moved that the article be accepted, seconded by Scott Dixon. Peter Bryant questioned why the Budget Committee did not recommend spreading this amount over two years. What would the increase be? Walter Shivik estimated \$2. Ilsa Briggs asked how our tax rate compares with area towns. Walter responded that last year we ranked 211 out of 234 towns in N.H. The article was voted and passed.

ARTICLE X - Shall the Town accept the provisions of RSA 53-B:1 to 11 inclusive providing for the establishment of a regional refuse disposal district, together with the Towns of Brentwood, Danville,

East Kingston, Exeter, Fremont, Hampton, Hampton Falls, Kensington, New Castle, Newton, North Hampton, Rye, Sandown, and the City of Portsmouth, and the construction, maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the Selectmen? (Ballot vote) Walter Shivik moved that the article be adopted as read, seconded by Walter Hill. Donald Hellen expressed concern that he heard there are possible sites in town. Tim Hoyt, Representative of S.R.R.D.P.B. responded. There are eleven possible sites, two are in South Hampton. The 18 Town Representatives will vote on the sites. Fred Anderson asked if there would be hazardous material dumped at the sites? Is there an alternative? He does not feel we should join until we know where the sites will be. Walter Shivik commented that if we vote against joining, we will not be able to join at a later date. If we don't join, we have to satisfy the State that we have developed a plan for rubbish and septic. Cate's may work out for 4-5 years. but what about after that? Peter Bryant asked if there is a way to delay voting on this article - "we don't have enough information to vote it." Fred Anderson made a motion to indefinitely postpone voting on this article, seconded by Peter Bryant. It was voted to postpone by hand vote - 27 for and 18 against.

ARTICLE XI - To see if the town will vote to raise and appropriate the sum of Five-Thousand One-Hundred Twenty-Nine Dollars (\$5,129) for the payment of the Town's share of the budget of the Southeast Regional Refuse Disposal District for the fiscal year of said district ending March 31, 1989; to authorize the Treasurer to pay the appropriated amount to said district in four (4) quarterly installments commencing on April 1 and continuing on or before the first day of each successive calendar quarter; and to take action relative thereto. Walter Shivik made a motion to postpone voting on this article in view of the postponement of voting on Article X, seconded by Pam Noon and so voted.

ARTICLE XII - Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against the land and buildings for unpaid taxes. Walter Shivik moved that the article be adopted as read, seconded by Walter Hill. Carol Baker, Tax Collector, explained the difference in the Tax Sale currently in effect and the Tax Lien Procedure. The article was voted by ballot - 41 in favor, 0 against.

ARTICLE XIII - To see if the town will vote to establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of land acquisition and to raise and appropriate the sum of \$1,000 to be placed in this fund and to designate the Selectmen as agents to expend. JoAnn Hill made a motion to accept the article as read, seconded by John Santosuosso, and voted in the affirmative.

ARTICLE XIV - To see if the town will authorize the establishment of a capital reserve fund (pursuant to RSA Chapter 35) for the future revaluation of the town and to raise and appropriate the sum of \$10,000 towards this purpose, and appoint the Selectmen as agents to administer the fund. JoAnn Hill moved that the article be accepted

as read, seconded by Ilsa Briggs. JoAnn explained the need for re-assessing the town - there are some inequities and she feels Selectmen do not have the expertise in this area. She also estimated the cost to be \$40-\$50 per parcel. Peter Bryant agreed that a professional evaluation should be done - but not this year due to the increase already. JoAnn added that the tax maps have to be updated in anticipation of a reassessment. The article was then voted in the affirmative.

ARTICLE XV - To see if the town will vote to establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of a new fire truck and to raise and appropriate \$6,400 to be placed in this fund. John Gamble moved that the article be accepted as read, seconded by Fred Kozacka. Vincent Early explained that the Budget Committee only recommended \$5,000 because of the need to cut the budget. The article was voted and passed.

ARTICLE XVI - To see if the town will vote to raise and appropriate the sum of \$2,000 for legal expenses with regard to the adequacy of off-site emergency planning. Walter Shivik made a motion that the article be adopted as read, seconded by George Briggs. Walter commented that the Town of Rye took Public Service to court, claiming the sirens were installed illegally, without approval of the town. They are waiting for a decision from the Superior Court; if favorable, we would like to address the problem for our town. The article was voted in the affirmative.

ARTICLE XVII - To see if the town will vote to establish the Land Acquisition Capital Reserve Fund as authorized in RSA 35:1, III-a, for the purpose of acquiring conservation land or interests in land for permanent conservation use. And to see if the town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the fund for the purposes contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-a, and authorize the Selectmen to apply for and accept the State Matching Funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and State Matching Funds may be expended by majority vote of the Conservation Commission. Walter Shivik moved that the article be adopted as read, seconded by Peter Bryant. After a brief explanation, the article was voted in the affirmative.

XVIII - Transaction of Other Business

Donald Noon made a motion that property evaluations be listed in the Town Report, seconded by Audrey Brunet. After a brief discussion of the time and expense involved, the motion was voted and lost.

JoAnn Hill thanked Walter Shivik for his years of service to the town as Selectman. Walter then commented on the time involved and wished the new board luck.

Fred Anderson expressed concern that the Town had not taken action to make the Vozzella property safe. He also urged the Town to establish rights concerning the sirens.

Judy Shivik expressed thanks to the Budget Committee for the time and work they put in, keeping the other Boards on their toes!

John Gamble moved that the Selectmen and Fire Chief send a registered letter to the Vozzella's stating they must have the well covered and the house boarded up by a specified date, seconded by Fred Kozacka and voted in the affirmative.

Lutz Wallem made a motion to recess the meeting to May 31st, seconded by Peter Bryant and so voted.

Respectfully submitted,

Carol A. Baker
Town Clerk

RECONVENED TOWN MEETING

SOUTH HAMPTON, N.H.
MAY 31, 1988

Moderator, Horace Cressy called the May 31, 1988 meeting (reconvened from March 9, 1988) to order at 7:37 p.m. and the following two articles were voted on:

ARTICLE X - Shall the Town accept the provisions of RSA 53-B:1 to 11 inclusive providing for the establishment of a regional refuse disposal district, together with the Towns of Brentwood, Danville, East Kingston, Exeter, Fremont, Hampton, Hampton Falls, Kensington, New Castle, Newton, North Hampton, Rye, Sandown, and the City of Portsmouth, and the construction, maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the Selectmen? (Ballot Vote)

At this time, the minutes of the March 9, 1988 meeting were passed to members of the audience. Walter Hill made a motion that non-resident advisors be allowed to speak in explanation of the article seconded by Tim Hoyt and so voted.

Ilsa Briggs asked the Solid Waste Planning Commission reps. how many towns listed above had actually agreed to join the district. Tim Hoyt, representative of SRRDPB stated that Brentwood, Hampton, Hampton Falls, Newcastle, North Hampton, Rye, and Sandown have said yes. The remaining towns have, so far, voted no or are still considering. James Miller asked why this meeting was necessary and E. Joann Hill stated that, at this time, we can only put certain items out for trash collection and we are restricted to what we can dump. We only have a short time left to be able to dump at the Kingston site we are now using. Lee Knapp asked how many tons per day would be dumped if one of the sites were in So. Hampton. Tim Hoyt stated that it would be about 400 tons per day, not all necessarily at the same site.

Mr. Kelly Planning Commission Rep. stated that any site choice would not be made until the regional district is formed, meaning not all the towns have approved the plan. After the district is formed, extensive site investigation is made to determine where the dump will be situated. Every town involved has one vote to determining the sites. It was explained that land has to be purchased for a site and annual dues for each town would be on a per ton basis so smaller towns with less trash would not be paying for the larger towns.

K. Imbrescia, K. Oakes, T. Hellen, J. Miller all spoke against passing the article due to lack of information on where the sites would be located, toxicity from the sites, and lack of choice as to where a site would be located in So. Hampton.

Douglas Hadley asked how much trucking would increase on Town roads and was told it would depend on what kind of waste would be brought to So. Hampton if a site was chosen here. Probably 10 to 20 two way trips per day.

(Article X Cont.)

Rich Russman was introduced by Fred Anderson. He is an attorney from Kingston who suggested that we might use an alternative plan instead of having a disposal site in Town. His town voted no for joining the district due to toxicity.

E. Cressy asked who would own the site once it was chosen, and was told that the district would own it with one vote from each Town involved.

Walter Shivik made a motion that the Article should be moved and voted on. Seconded by Edward Condon and so voted.

The Article was voted on by ballot. Results: Yes-23, No-14. The Article (X) was voted in the affirmative.

ARTICLE XI: To see if the Town will vote to raise and appropriate the sum of five thousand one hundred twenty-nine dollars (\$5,129) for the payment of the Town's share of the budget of the Southeast Regional Refuse Disposal District for the fiscal year of said district ending March 31, 1989: to authorize the Treasurer to pay the appropriated amount to said district in four (4) quarterly installments commencing on April 1 and continuing on or before the first day of each successive calendar quarter; and to take action relative thereto.

Walter Shivik made a motion to accept Article XI as read as we have already voted in the affirmative for Article X. Walter Hill seconded the motion.

Fred Anderson questioned the figure and Walter Hill explained that projected figures for site studies and other activities through 1989 were \$623,000. Our share came to \$5129 or about \$20 per family.

Article XI was voted in the affirmative by a show of hands.

Walter Shivik made a motion to close the reconvened meeting, seconded by Edward Condon and so voted. Horace Cressy closed the meeting at 10 p.m.

Respectfully submitted,

Andrea H. Condon

OFFICE OF SELECTMEN

P.O. BOX 10
SOUTH HAMPTON, NEW HAMPSHIRE 03827

Last year, this office indicated its commitment to the enforcement of Zoning. Several cases have and continue to be actively pursued on a variety of levels. A number of letters were sent out informing owners of business' of the processes available to them. Several individuals took the appropriate steps with the Zoning Board of Adjustment. More needs to be done following this avenue of enforcement. Legal proceedings were necessary in some cases to accomplish compliance. This office believes that litigation will be necessary in a number of remaining violations. This is a costly and time consuming method but thus far effective. Your responses to the Master Plan survey indicated that zoning violations were a priority concern.

An agenda has helped to organize the activities of this office. Requests for meeting with the Board should be addressed to the Chair. Complaints, however valid, do need to be in writing and signed.

Again this year we feel obligated to request volunteers to fill a variety of appointed positions. A list will be available at Town Meeting indicating the various positions of volunteer participation.

The Selectmen encourage your support of a professional revaluation which we hope will be accomplished in October of 1989 with your approval. Two objectives will be achieved in the process; professional appraisals and enhanced documentation of the property in South Hampton. These two features will be very valuable to future efforts.

The members of the Board thank the residents of South Hampton for their support and cooperation.

Michael G. Santosuosso

E. JoAnn Hill

Selectmen of South Hampton

The culvert was replaced on Hilldale Ave. and all roads were patched during the year. Culverts were cleaned, brush cut, dead trees creating a problem were removed, and cracks in roads were tarred. Locust St. needs extensive repairs due to heavy traffic as does the corner of Locust & Rt. 150 and the other corner coming from Salisbury. Other areas needing repair are Upper Highland St., Woodman Rd., W. Whitehall from Capps Bridge to Fowlers Res. (bumps & cracking), Hilldale Ave. from bridge to Riecks res. needs attention. Chase Rd. needs some work.

We have tried to maintain the town roads with as little money

HIGHWAY AGENT'S REPORT (Cont.)

as possible from the Town or the taxpayers. I feel that the money has been wisely spent and the condition of most of the roads show it. The Town has progressed from soft dirt roads to much traveled ones with much more traffic to come in the future.

Respectfully Submitted

John Santosuosso

Highway Agent

SOUTH HAMPTON PUBLIC LIBRARY

This past year books with cassettes have been very popular with the younger children. We have tried to keep up with the Best-sellers for adults and with New Hampshire history by purchasing such books as Nancy Merrill's HISTORY OF EXETER.

Weeding of the adult non-fiction is still in process. The ongoing book sale in the lobby of the Town Hall is being well received. Monies earned are going towards the new library.

Sue Wyand was hired as the library aide. She has been a great help to me.

As this year ends so does my time as your librarian. It has been a pleasure to serve the Town of South Hampton as librarian these past three years. My special thanks go to Trustees Madeleine, Martha and Linda who have been so helpful and encouraging during my time here at South Hampton.

Deborah S. Meigs
Librarian

South Hampton N.H. Fire Department

R.F.D. 2 • MAIN AVENUE
SOUTH HAMPTON N.H. 03827

REPORT OF THE FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State Government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1,000.00 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1,000.00 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

1988 FIRE REPORT

1988 was a busy year with many different types of fires. Many of these fires had to have reports made out to insurance companies and to the State Fire Marshall's Office.

Every year laws and codes change. In order to keep up with these changes, we have had to upgrade some of our fire gear and will continue to do the same this year.

To keep our fire insurance rating we must have up-to-date fire equipment, mainly our fire truck. New standards call for replacement of 1st class pumps within 25 years and to have as many men as possible seated inside the cab.

N.F.P.A. 1500 has put a big strain on small fire departments all over the United States like ours. We all have to live with these standards and laws for all firefighter's safety and to protect the public and their property.

I would like to thank all firefighters for the amount of time they have put in towards training and firefighting, and to thank all the townspeople for their donations throughout the year.

Respectfully submitted,

John Gamble, N.R.E.M.T.A.
Acting Fire Chief

TOWN OF SOUTH HAMPTON, NEW HAMPSHIRE

OFFICE OF THE PLANNING BOARD

In 1988 the Planning Board's most important effort was directed toward the revision of the Master Plan. Augmented by several volunteers to form the Master Plan Committee, and guided by the Rockingham Planning Commission, many many hours have been spent this past year in getting this complete review of the Town's Master Plan under way.

The response to the Citizen Survey was enormous. Of the 272 surveys distributed, over 54% were completed and returned in time to be tallied. Analysis of the responses is ongoing but a number of points are very clear. There is considerable unanimity in the perception of South Hampton's most important need as being more protected open space and preservation of our wetlands, backed up by the opinion that the most important capital expenditure is the acquiring of more conservation land, and that the most serious present local problem is loss of woods and open space. In addition, over 60% of those responding think water supply or potential contamination is a very serious or serious present problem.

We were surprised at the number of respondents who feel that enforcement of zoning ordinances is a serious or very serious problem. We wish we knew more about the specifics of this concern and will welcome letters or notes on this subject. We would like to assess whether enforcement is seen as a problem due to lack of clarity in the ordinance, whether it is the result of a lack of consistency in interpretation, whether it is the result of our ongoing difficulty in funding enforcement procedures, or whether it is some other factor not listed here.

Very few respondents expressed any wish for additional town services, and it is clear that most people would prefer to see the town remain predominantly single-family homes. The questions involving maps were apparently broadly misunderstood, and we apologize for not presenting them more clearly. We are, however, still trying to interpret the responses we got. We know however from the final question that 57% of those responding don't want South Hampton to grow at all in the next ten years and another 34% would like to hold the growth in that time to 300 people. The message over all appears to be that we should try not to change the rural character of the town.

One of the most vital sections of the Master Plan work has yet to formally begin. That is the construction of a Groundwater Resources Management section. But our education in this area has come a long way and we can begin to see some of the problems the town will face both in the development of the plan and in the ensuing effort to zone for the plan's implementation. The town will need to have a lot of research done to learn about the flow of its groundwater. We don't yet know the extent or the cost of these hydrogeological studies. We have the offer of one town organization to contribute to the funding of it and we are grateful for that. This work is an absolute top priority if the town wishes to assure the availability of potable water to its present and future residents.

TOWN OF SOUTH HAMPTON, NEW HAMPSHIRE

OFFICE OF THE PLANNING BOARD

Once it is determined what has to be protected and how best to do so, the town will have to make some choices.

For example, we may have to rethink our attitudes toward cluster zoning which, according to the Citizen Survey, very few residents would support at this time. A well drawn cluster zoning provision would permit the Planning Board to protect the sections of big tracts of land that are relevant to our ground water resources without the town having to buy the land, while at the same time preserving a great deal of open space and yet permitting the owner to realize a fair economic benefit from his property. Properly done, everyone will benefit. Another advantage to a cluster provision would be to facilitate the preservation of the rural character of the town as well as woods and open space. Curb cuts every 200 feet or so along our existing roads don't contribute anything positive to those considerations. It certainly is something we will ask you to think about.

A great deal of work has been done on the Master Plan and an equal amount remains to be done. Long-range planning is an awesome task in this technological age.

The Planning Board

Ilsa Briggs, Chairman

South Hampton

POLICE DEPARTMENT

ANNUAL REPORT OF THE POLICE DEPARTMENT

The year ending 1988 once again as in previous years, has been a very busy one for the South Hampton Police Department.

The department continues to write more motor vehicle violations, issue more warnings and arrest more drunk drivers, due to the increase of traffic flow within our town. South Hampton is a rapid growing community, causing an increase number of home alarms, and prowler disturbances to be answered. This department continues to investigate numerous burglaries and theft reports. The police department has made every effort to respond to all calls as quickly as possible and to dispatch all duties in a professional manner.

I wish to take this opportunity to thank the residents of South Hampton and their elected officials for the time and support that allowed me to attend and complete the police training at the New Hampshire Police Standards and Training Academy, in Concord, NH. I attended this training from September 12 to November 18, 1988, the training which I recieved will be most helpful and beneficial to the department in the performance of our duties.

Respectfully submitted,

Chief Wayne Theriault

South Hampton

SOUTHEAST REGIONAL REFUSE DISPOSAL DISTRICT

Following Town Meetings in 1988 the Southeast Regional Refuse Disposal District was formed with representation from the towns who voted to remain within the district. The eleven towns are: Brentwood, Canville, Fremont, Hampton, Hampton Falls, Kensington, New Castle, North Hampton, Rye, Sandown, and South Hampton.

While the District will develop eventual systems for the management of all refuse, the focus has been placed on recycling as a first step. The 3year goal is to have 80% participation of households in the district with material such as newsprint, cardboard, aluminum cans, plastic containers, glass and stumps. Each member community is being asked to establish its' own committee to consider feasibility, method, education, process and so forth. Those interested should make themselves known to the Selectmen.

New Hampshire has a number of successful Recycling operations in the state. Experience and educational materials are there to help us become equally successful. South Hampton once made a strong effort to recycle. We are confident that the energy can be rekindled.

The District recognizes that recycling is a first step to reducing the bulk of the waste stream but that much work needs to be done to implement effective management of septage and land-fill needs. South Hampton needs another volunteer to serve as an alternate participating in the various committee work that is ongoing in the District.

Continued volunteer and financial support are key to the full implementation of this enormous task. As your representative to the District I am available and happy to answer any questions you might have.

Respectfully submitted,

Walter M. Hill, Representative

Walter Shivik, Alternate
Tim Hoyt, Alternate

To: Board of Selectmen
Subject: Cablevision Review

We the Committee for Cable Evaluation in the Town of South Hampton, have completed our study. The attached is a comparison analysis of New England Cablevision of Amesbury, MA and Continental Cable of Exeter, NH.

After careful consideration we highly recommend New England Cablevision.

Also, we recommend two clauses in the contract between the Town and the cable company. The first be a clause or stipulation that the current Board of Selectmen and current cable committee be appointed as quality control inspectors to monitor the existing system in its entirety. The second stipulation be the Town receive a percentage fee of the monthly gross fee.

Election of Officers - 1989

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of South Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE TOWN HALL IN SAID SOUTH HAMPTON ON TUESDAY, THE 14TH OF MARCH, 1989, AT 1:00 P.M. TO VOTE FOR DISTRICT OFFICERS:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose one School Board Member for the ensuing three years.

POLLS WILL NOT CLOSE BEFORE 8:00 P.M.

The foregoing procedure calling for election of your District Officers at the Annual Town Meeting is authorized by Statute (RSA 671:2) and was adopted by the District at its 1966 Annual Meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID SOUTH HAMPTON THIS 14th DAY OF FEBRUARY, 1989.

SCHOOL DISTRICT WARRANT

1989

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of South Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE TOWN HALL IN SAID SOUTH HAMPTON ON TUESDAY, MARCH 7, 1989, AT 8:00 O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

Notice: School District Officers will be elected at the Town Meeting held at South Hampton Town Hall beginning at 1:00 in the afternoon on Tuesday, March 14, 1989, in accordance with the statutory election procedures adopted by the District at its March 1966 Annual Meeting.

1. To see if the District will vote to raise and appropriate the sum of \$1,780,000 (one million seven hundred eighty thousand) for construction of a new school building on land leased by the School District, for developing the site, for providing equipment and furnishings for the new building, for architectural and other service fees, and for any other items incidental to or necessary for the construction work; to determine whether the appropriation shall be raised by the issuance or sale of bonds or notes on the credit of the South Hampton School District in accordance with the provisions of the municipal finance act (RSA Chapter 33); to authorize the School Board to invest said monies and to use the interest earned thereon for said project; to authorize the School Board to obtain State and any other aid which may be or become available; to authorize the School Board to determine (1) the time and place of payment of principle and interest, (2) the rate of interest, (3) the provisions for the sale of notes and/or bonds, (4) all the matters in connection therewith; or to take any other action relative thereto. (RECOMMENDED BY THE BUDGET COMMITTEE.)

2. To see if the District will vote to raise and appropriate the sum of \$10,000 (ten thousand dollars) to engage architects, engineers, surveyors and other consultants and to pay related costs such as legal fees to continue planning for a new school. (RECOMMENDED BY THE BUDGET COMMITTEE.)

3. To see what sum of money the District will vote to raise and appropriate for the support of the schools, for the salaries of School Officials and Agents and for payment of the statutory obligations of the School District.

4. To see if the District will vote to authorize the South Hampton School Board to accept State and/or Federal grants and/or gifts for the South Hampton School District.

5. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

6. To transact any other business that may legally come before said meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SOUTH HAMPTON THIS 13th DAY OF
FEBRUARY, 1989.

SOUTH HAMPTON SCHOOL BOARD
Annual Report, 1988-1989

You could say that the 1988-1989 school year started off with a bang. Literally!

Barnard School and the portable classroom received a total of four lightening strikes over the summer months, causing repeated damage to the fire alarm system. Repairs were made, and with input from Fire Chief John Gamble, improvements were made to the alarm system. Gravel walkways now connect the portable classrooms to the Barnard School. The need for proper ventilation of the portable classroom was emphasized, and this problem will be remedied in time for the warm spring weather.

Last year, the District voted to raise and appropriate the sum of \$25,000 to engage architects, engineers, surveyors, soils consultants, and other professionals, and to pay related costs such as legal and appraisal costs required to plan a new school for South Hampton. The events leading up to the passing of this Warrant Article began with the School Needs Report of November, 1986 which resulted in the School Board's resolution to form a Building Committee. This committee was then broken down into three subcommittees dealing with the site selection, educational programs, and building space needs. With the work of the educational committee completed, emphasis was turned toward the space and site committees.

This year has been one of many accomplishments and much preparation. Through the efforts of the site committee, the Fow Wow River State Forest lands have been leased to the town, at no cost, for the purpose of building a new school. Meanwhile, the space committee, using the findings of the educational committee program study as a reference guide, along with contributions from townspeople, Barnard School staff, SAU 21, and adhering to the minimum state standards for New Hampshire public elementary schools, planned space requirements for a new school. With this done, and with a school site available, the School Board could now hire the services of an architect. JSA, Inc. of Portsmouth, N.H. was chosen, with Briggs Engineering providing site development services.

Over the past several months, JSA and Briggs have been working with the Building Committee, the Barnard School staff, the School Board, and SAU 21 in order to plan a new facility that meets the educational needs of the children and the financial needs of the town. The School Board supports the resulting proposal for a new elementary school for South Hampton, and extends many thanks to all those who have contributed their time and effort toward this goal.

you, the voter, ultimately have control of your town's educational future. A 'yes' vote on Warrant Article 1, at the South Hampton School District meeting, on March 7, 1989 will allow South Hampton to continue to offer the instructional programs presently available, enable all the State Standards to be realized; and provide a place for community activities for the benefit of all.

The School Board appreciates all the support we have received this year, and we look forward to a successful School District meeting on March 7th.

Respectfully submitted,

Patricia Hesselbach, Chairman
Margaret Miller
Judith Shivik

March 1, 1988
South Hampton, N.H.

The Annual South Hampton, N.H. School District Meeting was called to order at 8:09 p.m. by Moderator Horace Cressy with 50 voters and 4 non-voters in attendance. The Warrant now attached to page 262 was read. Audrey Miller made the motion to "open the meeting", Kim Furnal seconded. The Moderator stressed that people address the chair before speaking.

Budget Committeeman Vincent Early made the motion "to open the meeting with Warrant Article III and adopt the Budget Committee figures", seconded by Ernest Bonah.

Margaret Miller asked to make a motion "for the superintendent, of schools, his staff and the principal of the South Hampton School to speak or answer questions when requested", seconded by Judith Shivik. All in favor.

Vincent Early and Lutz Wallem then spoke on Mr. Early's motion. Mrs. Shivik stated that it was not wise to vote on the article out of sequence because it would be voting on their figures. It was stated by Mr. Wallem that if the figures were to change it would have to be amended. Walter Shivik, Selectman read the recommended procedure to cover warrant articles from the Department of Revenue and Administration Booklet. After an hour discussion of parliamentary procedure, John Gamble then made the motion "to hold a secret ballot on whether to go with Article III first." Pam Noon seconded 12 in favor of the motion, 39 against. Motion defeated. Vote was then taken on whether to take Article III first - 22 in favor 27 against, motion defeated.

ARTICLE I

Margaret Miller made the motion to accept the article as written Carol Baker seconded. Mrs. Shivik explained the work the School Board and all the committees had done. Reports had been distributed to residents as well as holding an informational meeting a week before the District Meeting. Supt. Dr. Norman Katner spoke regarding the states position on building new schools. He stated, the state cannot force a town to build a new school, but could force a town to look for other sources where to educate; the State Fire Marshall has the authority to close a school, but the decision to build or not to build is up to the body of voters. The school board had detailed steps they have taken to bring them to this point. After an hour discussion with many townspeople speaking, Vincent Early made a motion "to raise \$10,000 for the school board to start the process for the planning of a new school". seconded by Fred Kokacka, Jr. Vote 22 for and 27 against. Motion failed. Walter Shivik made the motion "for Article I to be amended to \$25,000 to engage engineers, surveyors etc. to pay related costs such as legal fees for the planning of a new school". Sheila Mahoney seconded Motion voted in the affirmative.

ARTICLE II

Patricia Hesselbach moved that this article be accepted as read. seconded by Mike Santosuosso. After the board explained where the land was and its history, the motion carried in the affirmative.

ARTICLE III Judith Shivik moved that the District raise and appropriate the sum of \$543,550 for the support of the school and for the salaries of School Officials and Agents and for the payment of the statutory obligations of the School District. seconded by Margaret Miller. This sum includes \$25,000 of the \$40,000 not approved. After discussion of certain line items, this article was voted in the affirmative.

ARTICLE IV Margaret Miller moved that this article be accepted as read, seconded by Carol Baker. Motion carried in the affirmative.

ARTICLE V Patricial Hesselbach moved that this article be accepted as read. Margaret Miller seconded. Lutz Wallem spoke on the budget committee cuts. After statements were made, the motion carried in the affirmative.

ARTICLE VI Margaret Miller spoke and thanked Mrs. Shivik for her years on the board and presented her with a plaque of appreciation.

Michael Santosuosso made the motion to adjourn the meeting at 10:45 p.m., second by Margaret Miller.

Respectfully submitted,

Audrey G. Brunet
School District Clerk

**SALARY SHARES OF
SUPERINTENDENT, ASSISTANT SUPERINTENDENT,
AND BUSINESS ADMINISTRATOR**

	Superintendent	Assistant Superintendent	Business Administrator
Hampton	\$12,560.75	\$10,262.40	\$ 9,353.75

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
South Hampton School District
South Hampton, New Hampshire

We have examined the general purpose financial statements of the South Hampton School District as of and for the year ended June 30, 1988, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

The general purpose financial statements referred to above do not include the financial activities of the Student Activities Fund, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts and the Student Activities Fund results in an incomplete presentation, as explained in the above paragraphs, the general purpose financial statements referred to above present fairly the financial position of the South Hampton School District at June 30, 1988, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the South Hampton School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT FROM THE PRINCIPAL

I hereby submit my report as principal of the Barnard School.

All staff positions at the Barnard School have been filled with certified teachers. Specialists in various curriculum areas meet with all students at least once a week.

Through a federal grant and school fund raising, the students, faculty, and parents of the Barnard School were fortunate to have an artist in residence for one week in May. The week's activities culminated in a fascinating evening performance.

In conjunction with the New England Aquarium our school is participating in a conservation project involving right whales. In addition to activities in the individual classrooms, the entire school visited the New England Aquarium in December.

The students in grades five through eight annually participate in the local, regional and state Spelling Bee. This year grades four through eight are participating in the first annual National Geography Bee. The faculty believes that these are worthwhile educational experiences for all involved.

Mrs. Priscilla Spear recently retired after twelve years of dedicated service to the Barnard School. We all miss her.

Mrs. Ada Merrill, who has been our school nurse for the past twenty-two years, will be retiring at the end of the current school year. Mrs. Merrill's caring and thoughtful ways will be missed by both students and staff.

The South Hampton School Board and the South Hampton School Building Committee have worked many long hours in order to present a building program to the residents of South Hampton. On behalf of the staff of the Barnard School I would like to thank both groups for their concern for the education of the students of South Hampton.

Respectfully submitted,

A. Terry Marinos
